FIRE ALMOST COMPLETELY UNDER CONTROL.

(Continued from page 1.)

In the San Francisco disaster will be losers to the extent of \$25,000,000. It is believed it will all be met.

Will Notify Banks' Conditions.

Washington, April 21.—General Funston has been ordered to ascertain the condition of the San Francisco banks and to notify Secretary Shaw, who will take steps to relieve the situation if necessary.

Will Save One-Fourth City.

San Francisco, April 21.—The fire is now positively stated to be under control, with the probability that one-quarter of the city, lying west of Franklin street and known as the "western addition," northward to the Presidio, will be saved. The stand made at Van Ness avenue will be generally successful, the flames crossing that avenue to the west in but few places. The strongest fire at evening today was toward north beach east of Van Ness avenue, but it will be controlled.

Burned Six by Three Miles.

Oakland, April 21.—The burned district extends about six miles north and south and three miles west and east. Bounded by the water front to Van Ness, and in places to Octavia; from Market street to the bay. Practically everything south of Market is burned. The city and county hospitals barely escaped.

The chief of police thinks the threatened famine will be averted. The military authorities' rigid discipline prevents a panic. General Funston today confiscated two shiploads of supplies. The vessels were drawing away from the pier when the nature of the cargo was ascertained.

Partial List of Dead.

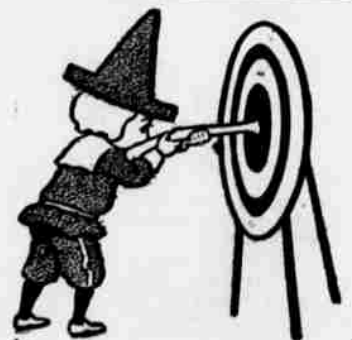

Incomplete list of dead: Dr. J. C. Stinson, killed at California hotel; Marian Kenny, Bradford, Canada; Herman Meyers; Miss Kattner, aged 15; John Pearson, 557 Waller street; G. Cooper, West King street; Harriet Chesbrough, N. J.; Ed Haver, Annie Webster, John Day, William Ware, Stevenson, George Wilken and 14 unidentified bodies of men, women and

The man who is known to his friends and neighbors as a safe and successful business man does not invest his money in every scheme that presents itself with the "promise" of large returns. He is satisfied with a reasonable rate of interest and the absolute security on both principal and interest, etc. as this strong bank offers to its depositors. This course may not appear so attractive as some of the schemes offered, but is far the safest and most satisfactory in the end.

SOCIETY

Post-Lenten events have been numerous, and from the outlook, society bids fair to be very active for a number of weeks to come. With the post-Lenten announcements are those of the engagements of a number of Pendleton's young society people. Two of the weddings will take place in June, which means a whirl of gaiety for the younger set from now until that time.

The first engagement announcement was made by Mrs. George Hartman, Jr., who was hostess on Thursday afternoon, at a luncheon and card party in honor of Miss Jessie Hartman, whose engagement to Charles Myers was formally announced, the wedding to take place in June. Covers at the luncheon were laid for six, which included the close friends of the bride-elect. The table decorations were done in yellow with a centerpiece of yellow jonquils which was afterward given to the honored guest. The place cards were dainty water-colors with a monogram of both contracting parties upon them. Later in the afternoon other guests were invited to play progressive "500," and upon the joker of each deck of cards was written the names of Miss Hartman and Mr. Myers, and the month of the wedding. A thoroughly enjoyable time was spent by those present, who were Miss Edna Thompson, Miss Bertha Alexander, Miss Ethel Johnson, Miss Eva Froome, Miss Gay Campbell, Miss Faye Bartholomew, Miss Emma Sawtelle, Mrs. L. Hunziker, Mrs. Fred Earl, Mrs. Sam Thompson, Mrs. Louis Owenhouse, Mrs. William McDonald, Mrs. Richard Mayberry.

A pretty heart luncheon was given on Friday afternoon by Mrs. T. M. Henderson, to announce the engagement of Miss Ethel Johnson to Harry Thompson. The table decorations were in red and red hearts used as a decoration, with cut flowers of the same shade. Pretty favors of Dresden ribbon card cases, containing the cards of both contracting parties, were given to the 12 guests as a memento for the occasion. The guests were Mrs. L. W. Frazier, Mrs. L. Hunziker, Mrs. Fred Earl, Mrs. George Hartman, Jr., Mrs. Sam Thompson, Mrs. C. J. Smith, Miss Jessie Hartman, Miss Emma Sawtelle, Miss Faye Bartholomew, Miss Bertha Alexander, Miss Edna Thompson.

Two of the largest social events of the week were the parties given by Mrs. A. W. Nye and Mrs. W. C. Shultz Friday afternoon and this afternoon, at the home of the former on Water street. The house was tastefully decorated with potted plants, ferns and cherry blossoms, which made a pretty background for the summer toilets worn. Electric and candle lights, hooded in pink, gave a pretty soft glow to the otherwise darkened rooms. Progressive "500" was played on Friday afternoon, the prize for points being won by Mrs. Jesse Failing and for progressions by Mrs. Harry Reek. The hostesses were assisted on Friday afternoon by Mrs. E. A. Vaughan, Mrs. Fred Shoemaker and Mrs. T. C. Warner, and this afternoon by Miss Thompson, Miss Edna Thompson and Miss Jessie Hartman.

The formal announcement of a sorority called Sigma Epsilon Omicron, formed by the following young ladies, Edna Zimmerman, Edna Thompson, Jarvinia Stanfield, Rae Vogel, Edith Johnson, Ethel Temple, Clara Boylan, Bernice Ruppe, was made on Wednesday evening by a reception given to the active members of the Alpha Psi fraternity and high school faculty. Music was played throughout the evening while various games were indulged in by the hostesses and guests, who were Miss Shepard and Mrs. A. E. Ivanhoe, Dean Goodman, Elmer Storie, Lester Means, John Dickson, Lester Hamley, Herbert Ruppe, Walter Cresswell, Earl Stanfield, Harold J. Warner, Glenn Scott, Dave Hill, Herbert Thompson, Clifford Turner, Jerry Crenin and Mr. Peterson.

At Hawthorn, the country home of Mrs. Charles Berkeley, on Birch creek, was the scene of a merry gathering on Monday afternoon to attend a luncheon given in honor of Mrs. John Sharpstein, of Walla Walla, who is Mrs. Berkeley's guest. The invited guests were Mrs. Lina Sturgis, Mrs. Charles Carter, Mrs. Leon Cohen, Mrs. George Hartman, Jr., Mrs. E. P. Marshall, Mrs. Norbourne Berkeley, Mrs. Charles Ferguson, Mrs. F. W. Vincent, Mrs. William Shultz and Mrs. W. J. Furnish.

Mrs. A. A. Roberts, of La Grande, was the honored guest at a company on Thursday afternoon at the home of Mrs. Charles Hamilton. The afternoon was spent in conversation. Delightful refreshments were served from the chafing dish. The guests were Mrs. W. R. Ellis, Mrs. T. W. Ayers, Mrs. Fred Laatz, Mrs. Charles Eppinger, Mrs. E. A. Vaughan, Mrs. Fred Donaldson, Mrs. George Fell, Mrs. Max Baer, Mrs. Frank Frazier and Mrs. J. F. Robinson.

Nature's Way Is Best.

The function strengthening and tissue building plan of treating chronic, lingering and obstinate cases of disease as pursued by Dr. Pierce, is following after Nature's plan of restoring health.

He uses natural remedies, that is extracts from native medicinal roots, prepared by processes wrought out by the expenditure of much time and money, without the use of alcohol, and by skillful combination in just the right proportions.

Used as ingredients of Dr. Pierce's Golden Medical Discovery, Black Cherry-bark, Queen's root, Golden Seal root, Bloodroot and Stone root, specially exert their influence in cases of long, bronchial and throat troubles, and this "Discovery" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic coughs, catarrh and kindred ailments.

The above native roots also have the strongest possible endorsement from the leading medical writers, of all the several schools of practice, for the cure not only of the diseases named above but also for indigestion, torpor of liver, or biliousness, obstinate constipation, kidney and bladder troubles and catarrh, no matter where located.

You don't have to take Dr. Pierce's say-so alone as to this; what he claims for his "Discovery" is backed up by the writings of the most eminent men in the medical profession. A request by postal card or letter, addressed to Dr. R. V. Pierce, Buffalo, N. Y., for a little book of extracts from eminent medical authorities endorsing the ingredients of his medicines, will bring a little book free that is worthy of your attention if needing a good, safe, reliable remedy of known composition for the cure of almost any old chronic, or lingering malady.

Dr. Pierce's Pleasant Pellets cure constipation. One little "Pellet" is a gentle laxative, and two a mild cathartic.

The most valuable book for both men and women is Dr. Pierce's Common Sense Medical Adviser. A splendid 1008-page volume, with engravings and colored plates. A copy, paper-covered, will be sent to anyone sending 21 cents in one-cent stamps, to pay the cost of mailing only, to Dr. R. V. Pierce, Buffalo, N. Y. Cloth-bound, 31 stamps.
